**SIGNATURES → Forms will not be processed unless signed by OWNER \*\* Required**

I authorize the use of online ordering by the users named above to represent this dealership. I understand that the dealership is responsible for keeping passwords confidential and responsible for all orders generated by the users. I further understand that the orders placed online will be processed according to account terms without verification from an MTA representative. In the event that there is a problem with an order entered online, a representative will contact that user by phone or email.

Signature of Owner

Print name
